

More air. More wear.™

Easier breathing and cool comfort are what you get when you wear an AirWave® respirator. The larger surface area of the patent-pending wave design means more air flows in and out of the mask – all without a valve! Easy breathing...by design.

- Relief from Nuisance levels of Organic Vapours
- Soft foam full flange for ultimate comfortable fit.
- Adjustable cool cloth SmartStrap® for a custom fit.
- SmartStrap allows respirator to hang around the neck for convenient storage during breaks and to use longer.
- Collapse resistant Dura-Mesh® shell helps respirator last longer, reduces waste and increases cost savings.
- FlexFit® design moves easily as you talk and stays in place.
